Benefits

At Twin Eagles Wilderness School, we operate with multiple bottom lines. This means we value and are continually considering our positive impact on the Earth and on humans as much as personal and financial gain. Therefore, we ask all our volunteer and paid staff to do the same.

- Benefits to the Earth
 - Positively contribute towards the Vision of living in balance with the Earth
- Benefits to People:
 - Opportunity to support others in their journey of deep nature connection, wilderness skills, community building, nature based mentoring, and towards realizing and living their unique gifts upon this Earth
- Personal Benefit:
 - Opportunity to learn more about Twin Eagles programs through direct exposure and experience
 - Opportunity to powerfully immerse in nature, receiving mentoring in wilderness survival & primitive skills, wildlife tracking, wild edible & medicinal plants, permaculture & regenerative design, nature based mentoring & cultural restoration, naturalist training, bird language & native scout teachings, and inner tracking.
 - Opportunity to have fun working with highly creative and possibility minded lifelong learners creating a powerful cultural learning environment for youth and adults experiencing deep nature connection, community building, and self-discovery.
 - Professional training, mentoring, support and feedback for personal growth as a nature based mentor.
 - Opportunity to build relationships and network within the greater deep nature connection mentoring movement.
 - For overnight camps, accommodations and meals are provided
